

MISSION STATEMENT

We seek to foster and maintain an environment for artistic growth in the community. The Paseo Artists Association provides the opportunity for cultural exchange between artists and the public through performances, festivals, and educational programming.

HISTORY OF THE PASEO ARTS DISTRICT

The Paseo was built in 1929 as the first shopping district north of downtown. The curved, two block street has maintained its Spanish revival architecture with original stucco buildings and clay tile roofs still intact. The Paseo is listed on the National Register of Historic Places. The arts have always been a part of the Paseo. The Elm's home in the 1930s, located at 28th and Walker, was the first Oklahoma City artist salon and gallery. In the 1950s, Paseo had the beat generation and Jazz clubs. The 1960s brought counter culture and its art to the area. Formally organized in the 1970s, the Paseo Artists Association began the revitalization of the Paseo. Today, a vibrant group of artists and other interested people are transforming this community through creative thinking and arts activities. Currently, the Paseo is home to 17 galleries and more than 60 artists, all within walking distance. Intermingled with the galleries are fabulous restaurants, a coffee house, clothing boutique, gift shop, yoga studio and hair salon. The Paseo hosts the First Friday Gallery Walk every Friday, rain or shine, from 6-10pm. First Fridays feature new work of studio owners and guests artists, as well as live music and a unique atmosphere.
