

2010 Photo Fest on Paseo Juried Photography Exhibit September 3 - 25, Paseo Art Space

Theme and Specifications

The face of photography changes rapidly; part of the mission of the Paseo Arts Association is to "enrich, educate, entertain, and inspire through the arts." Photography is one such outlet, as there is a photographer in each of us. This third annual juried exhibition is open to professional and amateur photographers across Oklahoma.

All types of photography, including mixed media (mixed media submissions must have a photograph(s) as an obvious part of the work) are acceptable. Entries must be gallery ready, fitted with wire; the final work cannot be larger than 36" in any direction.

Coker is an avid supporter of the Oklahoma City art community and serves as a volunteer for numerous organizations.
